# Welcome to Easter 24!

Dear Members and Friends of the German Society,

A new term is upon us, and the newly elected Committee of the German Society are here to welcome you back to Cambridge with a veritable host of amazing events.

Whether you look to find inspiration at a speaker event, long for the summerly enjoyments of late-afternoon punting and Midsummer en Blanc, or fancy a good glass of German wine, we have you covered. We have a pub night lined up to start off the term, well-known staples like the DACH Formal with the Austrian and Swiss societies return, and we are putting on some fun socials with our friends from the Dutch, Mexican, Polish, and Scandinavian societies!

Also, do not miss out on the opportunity to get to know our sponsors over a casual dinner. This term features events by undconsorten and QuantCo.

It goes without saying, but we would like to emphasise that everyone is welcome in the German Society, whether you are from Germany or not. And if you are learning German, there is probably no better way to improve your conversation skills than to mingle at one of our socials!

Wishing you all a beautiful Easter term,

*Jannis & Raymond*
